

Are you feeling rushed and not finding enough time at home to cook? Meals by Nutrimos can provide a little relief while supporting others in need. Here's a quick summary of our program.

Meals by Nutrimos is a meal ministry that provides nutritious, delicious, sizeable freezer meals. Meals can be single serving or preordered for family sized. All proceeds from sold meals go towards community outreach with IowaWINS. In addition, Meals by Nutrimos contributes a 10% tithe to the ministries of the First Presbyterian Church of Mt. Pleasant.

IowaWINS is a community commission of the First Presbyterian Church that was formed in the fall of 2015. It is open to everyone in the community. IowaWINS Mission is that our communities will be inclusive and hospitable, welcoming people from across the world who choose to live, work, study, and seek happiness here.

IowaWINS has worked to create projects and programs to help serve immigrant families and the community. This includes plots and seeds for the community garden, the immigrant youth leadership group, UNIFY, the IowaWINS Food Pantry, and Meals by Nutrimos.
